

My STRIVE experience  
Sheila  
April 14, 2011

During the three weeks at STRIVE I have been empowered with a wealth of knowledge that will assist me in obtaining my intended goal. That old cliché is true, "if you don't use it; you lose it." Prior to this program I had lost my confidence, I was not confident that I would be able to get a job. With the new tools and resources that I have been equipped with I don't believe there's anything that can hold me back. I believe that I can do anything that I put my mind to do. I am now my number one cheerleader; I am engaged in my own success. I am so excited and confident that I will succeed! "I NOW BELIEVE, "IF GIVEN THE OPPORTUNITY I WILL PROVE TO BE A VALUABLE ASSET." I AM EMPLOYABLE!

I truly believe that I have been equipped with the tools to succeed. In the past I failed because I failed to try, I will put my best foot forward and put all of my fears behind me. I thought that I was too old to be a part of a program like this, I now know that age has nothing to do with my ability to succeed.

## My STRIVE experience

I have a brighter attitude so I expect a brighter result. Before coming to STRIVE I questioned my ability to become employed; now I am confident that I will get a job soon.

The staff at STRIVE have been courteous, helpful and attentive, I have been treated with the utmost respect, and I appreciate each and every one of you. I believe that I can fly higher than an eagle. I am extremely happy that I came to STRIVE. I will recommend this program to my family, friends and acquaintances. I have gained so much from this program. I know that I will succeed. I can't say it enough, "I have regained my confidence and I will get the job that I seek." When I am in an interview I can sell myself, I will close the deal and be the next STRIVE success story. All of my fears have been eradicated, I am positive and I will stand tall, I am ready to see

all who strive to become gainfully employed  
come into this program and succeed.

Thank you for giving me the opportunity  
to be part of this program.
