The Strive Staff Are the best I like the fact that they Don't only look at Strive As a job but as a Second Home they take ~~Pride~~ Pride in what they ~~do~~ do At Strive I learned How to do a Commercial. I learned How to Write a cover letter they Showed me that it Doesn't matter where you came from you Can Acheive what you want in life all it take's ~~is~~ is motivation and good people skills ~~like~~ like knowing how to market yourself to get A head. I will Never forget Strive and what the Staff Taught me I'm so glad that I Came to Strive. With out that program Showing me structure and ~~patience~~ patience. I wouldn't know how to Strive for Success. I learned A lot from the Employability Workshop and I'm very Thank full. Thanks Strive.
