DEAR STRIVE

Over the last four weeks, I have been challenged, I have had to use all of my personal and professional ABILITIES, ATTENTIVENESS, punctuality, courtesy, TAKING CONSTRUCTIVE CRITICISM. I ALSO TOOK INITIATIVE, IN MANY INSTANCES, GOING FIRST ON several workshop TASKS. I ALSO would like to reiterate, how professional and prepared the STAFF AT STRIVE ARE, AND how they make clients ACCOUNTABLE. Even though I have went through similar workshops, AIMING AT the same goal, STRIVE WAS ABLE TO KEEP me engaged. I tend to bore easy, AS I AM AN ACADEMIC AT MY CORE. CONFLICT RESOLUTION WAS handled professionally AND COURTEOUSLY. ALSO the STAFF showed INTEGRITY AND honesty, two of my pet peeves. TOO OFTEN OTHERS DISAPPOINT when IT COMES TO SETTING GOALS, AND TAILING off MIDSTREAM, OR NOT FULFILLING the OBJECTIVE. FROM DAY ONE STRIVE, STUCK TO A ~~formula~~ formula, WITHOUT deviation, OR dilution. TO BE HONEST THESE four weeks HAVE SEEMED much shorter IN TIME, BUT LONGER IN SUBSTANCE. Hopefully this relationship will bear the fruit, FOR WHICH IT WAS INTENDED. I HAVE NO DOUBT, THAT I AM prepared properly AND SUFFICIENTLY. These 4 weeks have given me the opportunity to look AT MYSELF honestly, WITHOUT reservation.

THIS IS EXACTLY WHAT I NEEDED, A
push to polish AND REFINE SKILLS, I
ALLOWED TO LAY DORMANT. MY CONTRACT IS
RIGHT IN LINE WITH MY INABILITY TO LET
people close. I USED THAT AS A DEFENSE
MECHANISM, I NEED TO CONTINUALLY WORK ON
SOFTENING MY VENEER. IT ALSO REINFORCED
THE FACT THAT A LOT OF MY ISSUES, ARE
SHARED BY MANY, AND ARE NOT UNIQUE. I
ALSO LEARNED TO BE MORE TOLERANT, AND ACCEPTING
Thank you, AGAIN TO THE WHOLE STAFF AT
STRIVE. Lonnie
